

Validate Capital Equipment in Service Center-Job Aid

Purpose	This document provides instructions and screen shots which not only enable DPAs to run the 286_DPA_Comprehensive_Report and the 296_Award_Management_Report in the OBIEE reporting platform, but also enables Service Centers to complete the checklist for the Capital Equipment Validation Program.
Instructions	<ol style="list-style-type: none"> 1. Open browser and access OBIEE home page. 2. Log in to OBIEE. Click on FIN_PMO_286_DPA_Comprehensive_Report. 3. Make sure you are in Active Assets tab. 4. Go to Box 100: SUID Tag # - Replace the default 9999999 with a % sign. 5. Go to Box 202: Department Name – Enter your Service Center name as it appears in Sunflower. Click View Report and select Excel (*.xlsx). 6. Click Open with Microsoft Office Excel when prompted. 7. Report data will appear in an Excel (*.xlsx) file. 8. Using “Save as” function, save the report using the recommended naming convention: ServiceCenterAward_DPAComp_Report. 9. Review report and ensure Acq Date, Acq Cost, Acq Method and Owner information are correct. 10. Return to OBIEE list of DPA reports and select FIN_PMO_296_Award_Management_Report. 11. Repeat Steps 3-7 to run 296 Report and open in Excel. Using “Save As” function, save the file using the recommended naming convention: Service Center Award_AwardMgt_Report. 12. Email 286 DPA Comprehensive Report and 296 Award Management Report to Service Center Manager/Financial Contact, who should follow the checklist to complete the validation program. 13. Service Center Manager/Financial Contact shall review 296 report and highlight in yellow assets for which depreciation is included in Center’s current budget. Review asset PTA(s) and ensure they reconcile to those reported to Research Administration Policy & Compliance (RAPC). 14. DPA should re-run 286 & 296 reports if any asset changes were made in Sunflower during validation program. Save the updated reports and send them, along with signed checklist to sc_eqmt_validation_@lists.stanford.edu. <p>Screenshots for the above steps are available on pages #2 - #8.</p>
Questions	Have questions about running the reports or the validation program? Please contact your UPA for assistance.

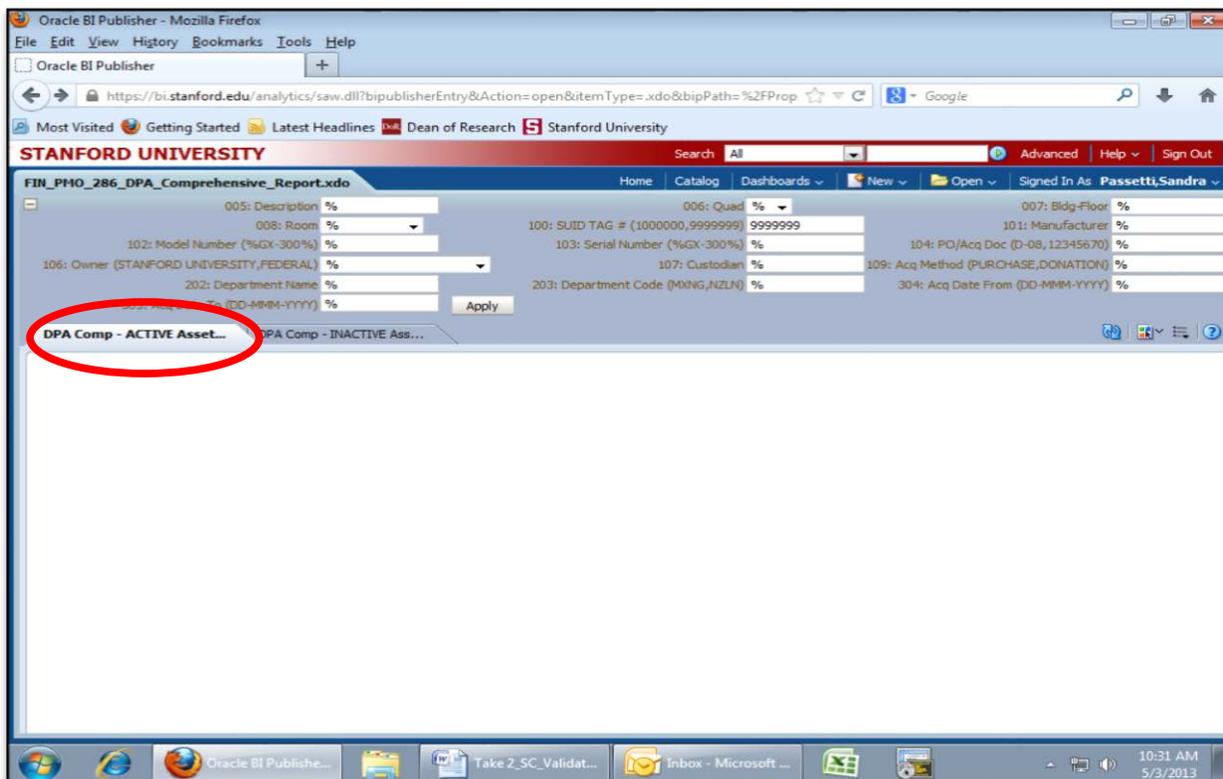

1. First, open your browser, enter **bi.stanford.edu** in address bar and hit the **Enter** key

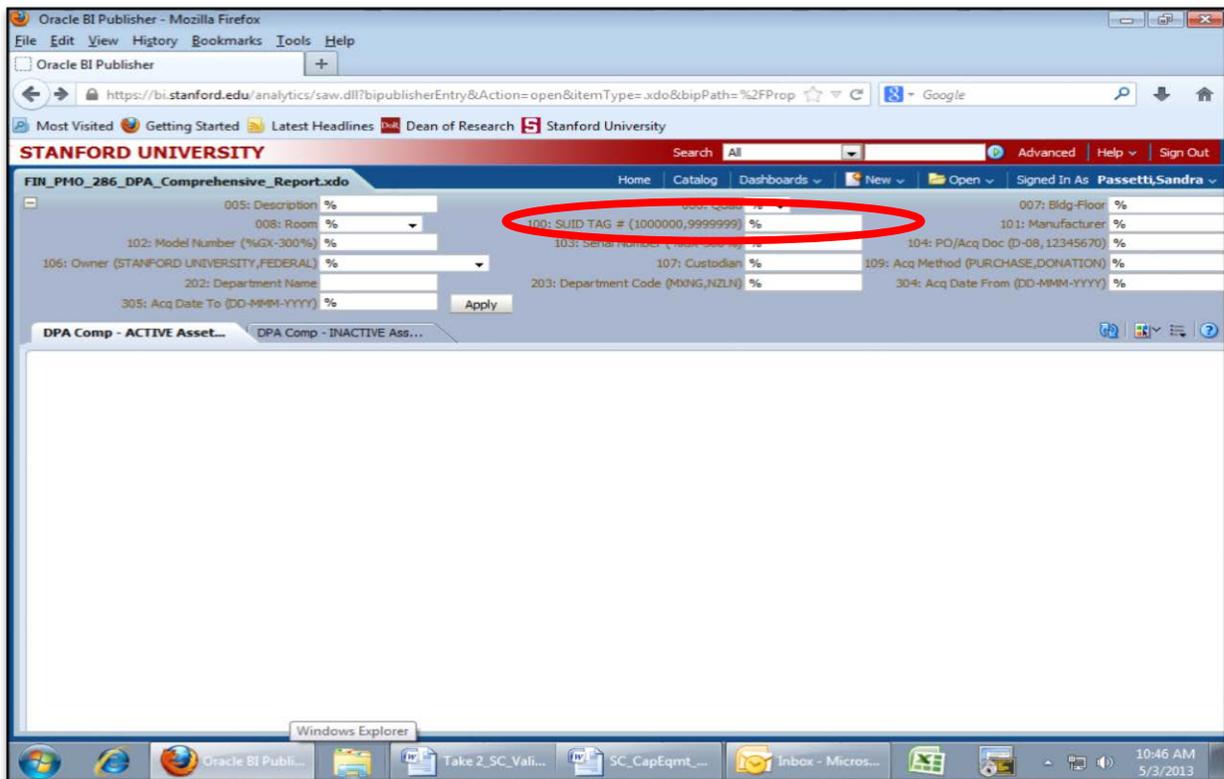

2. Log in to **OBIEE**. Click on **FIN_PMO_286_DPA_Comprehensive_Report**

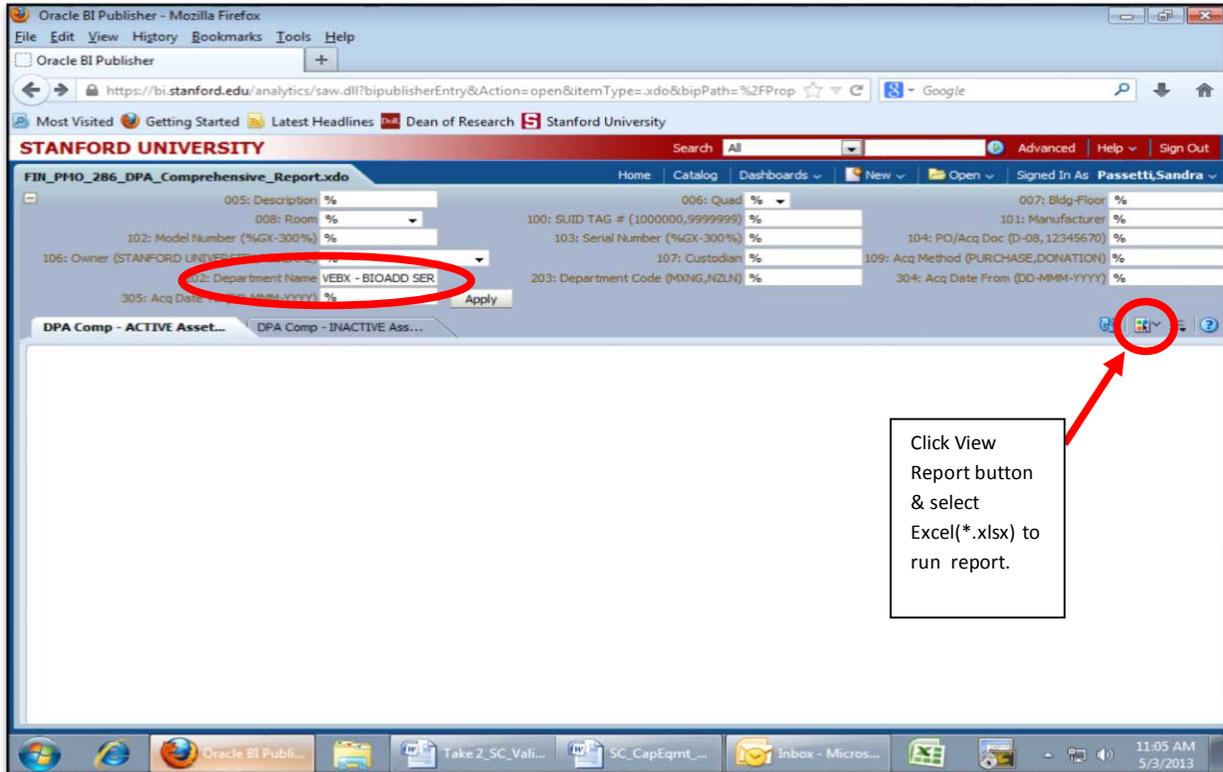

3. Make sure you are in the Active Assets (default) tab

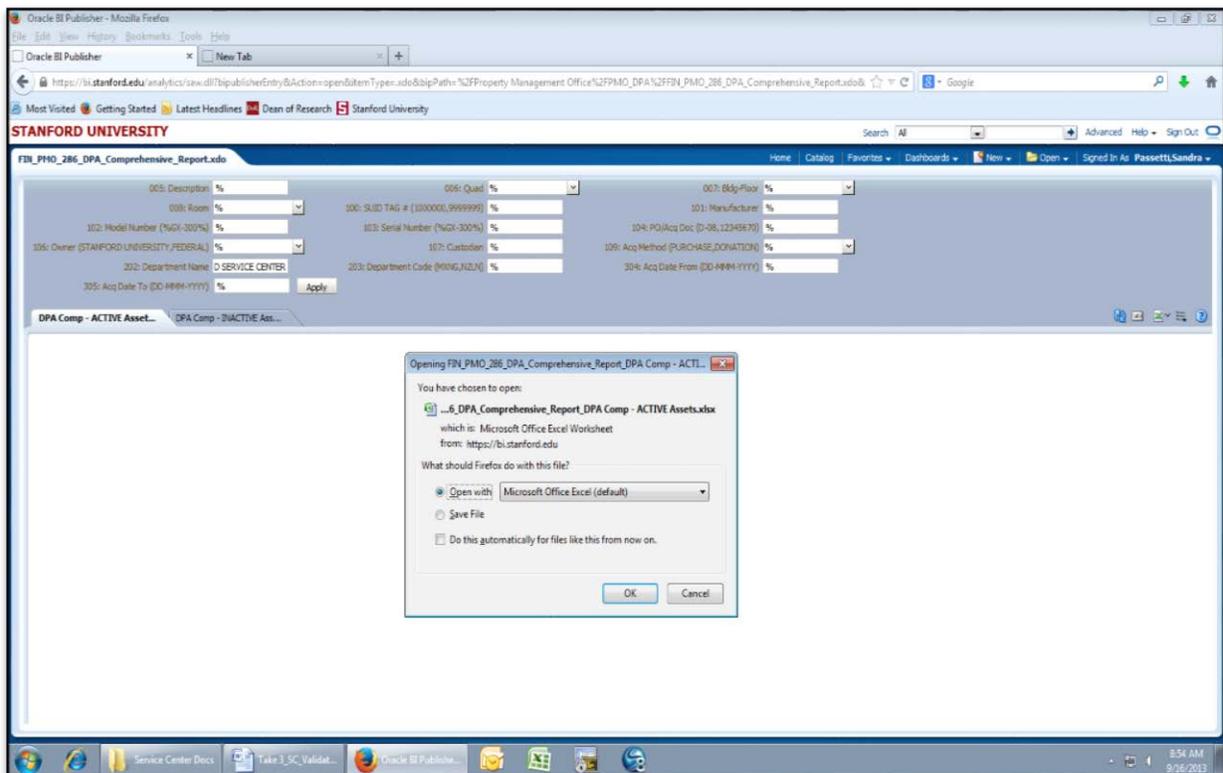

- Go to Box **100: SUID Tag #** and replace the default 9999999 with a % sign.

- Go to Box **202: Department Name**; Enter your Service Center name as it appears in Sunflower. Click **View Report** button and select Excel (*.xlsx) to run report. Note: For training purposes, we use the BioADD Service Center to illustrate running report.

6. After processing is complete, click Open with Microsoft Office Excel when prompted.

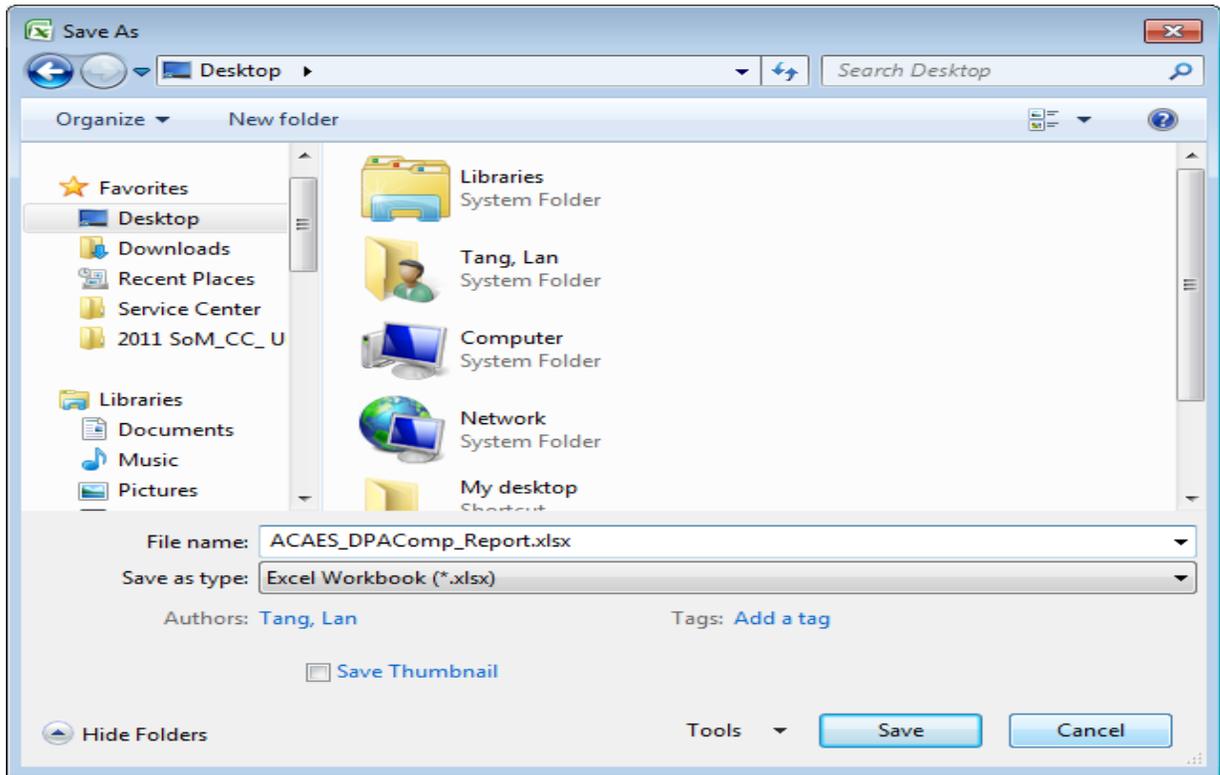

7. Report data will appear in an Excel (*.xlsx) file.

10. Return to list of DPA reports in OBIEE and click on the **FIN_PMO_296_Award_Management_Report**.

11. Repeat steps 3 – 7 to run 296 Award Management report and open in Excel. Using “Save as” function, save the file using the recommended naming convention: **“Service Center Award_AwardMgt_Report”**.

12. The DPA shall email the Excel versions of the 286 DPA Comprehensive Report and the 296 Award Management Report to the Service Center Manager/Financial Contact, who will in turn follow the checklist to complete the validation program.

- The Service Center Manager/Financial Contact shall review the 296 Award Management report and highlight assets in yellow for which depreciation is included in the Center’s current budget. Review asset PTA(s) and ensure they reconcile to those reported to Research Administration Policy & Compliance (RAPC).
