Account Setup - Amend PTA Transaction

Most account setups for amendments are processed by the Office of Sponsored Research and do not require actions on the part of department administrators. In the event, OSR requires additional information from the department administrator to complete the account setup for an amendment; OSR will assign the department administrator a “Prepare & Approve Account Setup” action item. An email is sent to the department administrator to let him/her know a “Prepare & Approve Account Setup” action item has been assigned to him/her and will be listed on his/her My Dashboard.

If you are assigned a “Prepare & Approve Account Setup” action item, you will need to complete the action item before OSR can proceed with the account setup process. To access the action item take the following steps:

- Access the “Prepare & Approve Account – Dept” action item via the clickable link in the email sent from the SeRA system

OR

- Click on the blue hyperlink in the “ID#” column to access the “Prepare & Approve Account – Dept” action item

Once you click on the blue hyperlink, you will notice a Left Hand Navigation and Right Hand Menu.

Left Hand Navigation

The left hand navigation (LHN) displays:
- SeRA Home page - My Dashboard (for administrators) / My Projects (for faculty)
- SPO number
- PTA(#####) Transaction ID number
- Transaction Home page
- Approvers page
- Review & Submit page
- SeRA User Guides link
- Help Request (HelpSU ticket submission)

Right Hand Menu

Transaction ID: Unique identifier in PTA(#####) format
Assigned to: Name of current transaction assignee
Status: The current state of the transaction

Actions provide options to:
- Save the transaction and return to the SeRA home page without routing the request
- Reassign the transaction to another person
- Review for Completeness - review fields to determine if all required fields were completed
- Terminate Transaction - terminate the request

Quick Links provide links to:
- View Attachments related to the project.
- View PDRF - the Proposal Development Routing Form routed for the project proposal
- View PTA Details of the early/extended account/PTA
- IDC Rates on the Stanford DoResearch rates webpage
• Any comments or instructions from your Accountant will appear in the “Comments” section.

• Review the information in the PTA Configuration section for accuracy.
  o The configuration is determined by the Award Budget, Terms and Conditions on the Award transaction.

• *Note: The PTA Configuration are recommended financial account PTA configurations. Please complete your task by navigating through the buttons and completing any necessary PTA and/or budget setup information. Award numbers in red are proposed award numbers only. These award numbers are subject to change when they are created in Oracle.

• If changes to the default Awards or Projects are required, you may send this PTA Setup Task to OSR for corrections by selecting “Return to OSR” from the right hand menu.

• You may send this PTA Setup Task to someone else by selecting “Reassign” from the right hand menu.

• If needed, add additional tasks, e.g. additional PI’s, etc., by clicking the blue “+ Add Task” link.

Last Revised: July 17, 2016
Budgeting by Expenditure Type – click the pencil icon next to each expenditure type or use the Budget by Expenditure Type tab.

If you need additional expenditure types, you can add them by clicking the green + sign next to the “Expenditure” type.

*Note- An Expenditure Type cannot be deleted if it is the only one associated to a given Task.

If you know the expenditure code, you can simply enter it here. If you’re unsure, use the search function to find the appropriate expenditure.

If an expenditure type is not available for you to add, you may return this transaction to OSR using the “Actions” menu on the right hand menu. Enter in the comments field what expenditure type is needed. OSR Accountant will add it for you and return the transaction to you for completion.
• Budgeting by Task – click the pencil icon next to each task or use the Budget by Task tab.

• Once the budget information has been completed, click the “Return” button.
