Indicators of University Research Checklist
(Relevant Policy: RPH 13.2 Categories of Sponsored Projects)

Program/Funding Opportunity Name	
Funding Department	
Person Completing Checklist	

				Yes	No
A	Funding source is university funds e.g., gifts, endowment income, interest income, technology licensing income, operating budget *NOTE: If the funding source is a sponsored project (e.g. Center Grant; Program Project Grant), then stop here; this is also a sponsored project.*				
B	Application and award process is competitive in nature				
C	Application includes a specific SoW (Statement of work)				
D	Award terms & conditions similar to sponsored projects	1	requirement to return any unexpended funds at the end of the project		
		2	detailed financial reporting (beyond an acknowledgment of funds)		
		3	terms for the disposition of property (e.g. equipment, deliverables, data or intellectual property)		

This program is "University Research" if:
       A, B & C are all "Yes"
               AND
       D -- any (1,2, or 3) are "Yes"
